Dear Beatriz:

I know that your kind offer to read my paper in Manchester may not be permissible, but if it should be allowed, I would be most honored. The slides are all ready for use if needed.

Many thanks for word about the slides I forgot in Guanajuato. You are right to keep them until the mails are less clogged.

We greatly enjoyed the colloquium, and all your kindnesses made it possible. All our thanks once again and Happy New Year
most cordially,
George
