Dear Beatriz:

I've just got back from Maine to find a copy of your book awaiting me. What a fine, handsome, useful job! It's very impressive and I'm really delighted to have it. I marvel at how much you accomplish. You are a wonder.

It was lovely seeing you in Mexico, and I hope that we'll meet again before long. Will you be able to come to our conference in October? It would be nice to have you here.

With kind regards, and thanks,

Sincerely,

Beth
