Dear Beverly:

This letter comes to let you know that Pintura Mural Prehispanica en Mexico by Beatriz de la Fuente has been selected as one of the winners of the 1996 George Wittenborn Memorial Book Award. The award will be announced on April 5, 1997, at the ARLIS/NA conference in San Antonio, Texas.

We would very much like to have someone associated with this outstanding publication to be present at the convocation and award ceremony on April 5 to receive the award certificate. In most cases the authors of the winning books are present to receive the award.

We also request that you do not make this information public until after ARLIS/NA has presented the award on April 5.

Congratulations on winning one of the 1996 Wittenborn awards.

Sincerely yours,

*Mona Chapin*
