Dear Beatriz:

I am pleased to inform all the contributors to the Stirling memorial volume that Dumbarton Oaks, with generous private support, will bring out this volume as a special publication. It seems appropriate that Dumbarton Oaks should be involved in this project, because of the long association that Matt Stirling had with Dumbarton Oaks and Robert Woods Bliss. Mike Coe and Dave Grove will be the organizers, and I will be the editor.

This will also serve as a reminder that manuscripts are due by September 20th. We would like to be able to go to press with the volume as soon as possible.

With best regards,

Sincerely,

Betty
