Dear Beatriz:

I have just received your magnificent book on Olmec Sculpture. Of course I have not yet had time to read it, but I am looking forward to doing so with great pleasure. The illustrations are splendid, and I have no words to thank you for such a beautiful gift.

You have probably heard from Clemency Coggins that she and I are planning a trip to Mexico in October. I hope that there will be an opportunity to see you, and to shat with you while we are there.

Most gratefully,

Tatiana
