Hasso von Winning  
2274 Alcyona Dr.  
Hollywood, Cal.  
90068 U.S.A.

Dear Hasso:

I am enclosing a xerox copy of the photographs of the two skulls at the Museo de Antropologia, because we need indications as how the have to be reproduced. Is it necessary that they face each other? It says already in the page vertical. Should they be exactly this way or can they go horizontally but facing each other? Please let me know as soon as possible.

My best regard.

Dra. Beatriz de la Fuente
