Dear Dr. de la Fuente:

It was a pleasure to hear from you this morning on the telephone; thank you for letting me know that you had been out of the country when my last message arrived.

As you know, the story has now gone to press, and I have the pleasure of thanking you and the other consultants who so kindly reviewed material for us. We hope you'll enjoy seeing the story when it appears in the November issue of the magazine; I will, of course, see that you receive a copy, with our compliments. In the meantime, thanks again, and very best wishes.

Sincerely,

  
Kathy B. Maher
