Sr. Jacques Thuillier
Secrtaire Scientifique du
129, rue de la Pompe, 75
Paris XVIIe,
FRANCE.

Dear Mr. Thuillier:

As you might remember I was appointed Titular Member and representative for Mexico, during the General Meeting of the CIHA., celebrated the 6 th of September at Granada.

I am now trying to organize the National Committee and would like to know if there are any special suggestions the Bureau accustoms to make in this cases, or if we follow exactly what is established in the Statutes. I have spoken with some of the most distinguished professors of the History of Art at The University and with Members of the Instituto Nacional de Bellas Artes, the Institution in charge of the Museums in Mexico. We think we might start with some eight members and I would like you opinion about it. Perhaps it might be also convenient that we send you the project of our own statutes for the National Committee and proceed to establish it afterwards.

I would like to comment also that the Mexican group has had some preliminary conversations about the possibility of organizing a Symposium in Mexico on a theme of interest for the europeans and the americans.

Finally I want to ask you a written confirmation of my appointment as a Titular Member and Representative of Mexico in the C.I.H.A., in order to proceed adequately with the organization of the National Committee.

Sincerely

Mtra. Beatriz R. de la Fuente.
