Dear Dr. Grabski:

Thank you for sending me a second letter inviting to collaborate in a book in honor of my dear friend Jan Bialostocki. Both of your letters were lost, the area code was mistaken, but finally the second one arrived just before Christmas. I will gladly contribute with an essay on Maya Classic Sculpture, written in Spanish, since my English has many errors, otherwise it should be translated professionally. I will send it to you before the date that you indicate, 1st of March, with the best available photographs that I can get.

Sincerely

Dra. Beatriz de la Fuente
