Dear Beatriz,

Many thanks for the lovely book! I have just returned from some weeks away from New Haven, and I have only had time to glance at it, but your introduction is eloquent and your selections excellent.

Please let me know if you have not received a copy of Blood of Kings yet, and I'll make sure you do! I have also requested that the publisher of Arts of Mesoamerica send you a copy of that book.

I was unable to come to
the Palenque conference this
year, but I nevertheless
hope to see you in the
near future.

Yours.

Manly Miller
