Dear Don Beaty,

I am most grateful to you for sending me a copy of your very fine new book on Olmec Sculpture. I am very interested and it will be of important use to me.

I was of course interested in seeing that you used my photo of the "ape" man from La Venta (Fig 39). It's good to have that correction on the record.

Many thanks - and all best wishes to you.

Sincerely

Gordon F. Ekholm
