Dear Jeff:

This letter has the purpose to thank you for all your attentions during the very pleasant days I spent in Washington to participate in the excellent Seminar that you organized.

I will not forget to take with me the paper I presented in my next trip to Washington. If I do not have the opportunity to see you, I will give it to George Stuart.

My gratitude for the invitation and the wonderful experience meeting members of your Society for which I express my wish of great success.

Cordially

Dra. Beatriz de la Fuente
